REMARKS

Applicants inadvertently omitted drawing Figures 1, 2, and 3 from the filing of this continuation application. The drawings were not necessary to understand the invention, as the claims as originally filed contained at least one method claim. *See*, MPEP 601.01(f). Therefore, Applicants should be accorded their filing date of November 13, 2001.

This application is a 37 C.F.R. 1.53(b) continuation of USSN 09/418,676, which was a continuation-in-part of USSN 09/155,289. Applicants note that the specification, as originally filed in this continuation application, incorporates by reference the disclosure of USSN 09/155,289. The omitted drawings are part of the disclosure of USSN 09/155,289. Therefore, the omitted drawing figures will be added in the preliminary amendment that accompanies this Response. *See*, MPEP 201.06(c).

A copy of the Declaration and Power of Attorney as originally filed was inadvertently omitted from the filing of this continuation application. Attached is a copy of the Declaration filed in the prior

application, USSN 09/418,676. As no new matter has been added in this continuation application, and the omitted drawings are not necessary to understand the invention, a newly executed Declaration is not required. Applicant notes that a Revocation of Previous Powers of Attorney and Appointment of New Power of Attorney was previously filed on August 10, 2001 in USSN 09/418,676.

The Commissioner is authorized to charge any additional fees, including any extension fees, which may be required, or credit any overpayment to Deposit Account No. 06-1300 (Our Order No. A-70608-7/DJB).
